Subject to these Terms, the Services allow you to credit your App wallet using a debit card for the purposes of purchasing play Credit ("Credit") to be used on gaming machines (**Gaming Services**) and non-gaming machines (**Non-Gaming Services**). The Services also may help you to responsibly manage and track your purchase of Credit via the App by providing relevant information and tools.

The App may also make available certain services, websites, and software from third party service providers ("**Third-Party Services**"), that will enable you to directly communicate with the content and/or software of such providers ("**Third-Party Providers**"). The Third-Party Providers are independent of GPT and we do not provide any of the Third-Party Providers' services. GPT is not responsible for the Third-Party Services, or for the security or safety of using them.

GPT does not evaluate, recommend, or endorse any Third-Party Services or protect monitor or otherwise have access to them. The use of Third-Party Services is subject to the terms provided by the relevant Third-Party Provider.

Who may use the App and the Services.

The App and the Services are intended to be used by players who play on Gaming Services and Non-Gaming Services located within the UK only. GPT will not be responsible for any illegal or unauthorised use of the App and/or the Services by you.

You must be 18 or over to use the Gaming Services

You must not use the Gaming Services under any circumstances if you are under the age of 18 years old. If you are under the age of 18 years old and you use the Gaming Services, you will have materially breached the Terms and we will close your account.

PLEASE NOTE: If you are under the age of 18 and gamble you are committing a criminal offence in the UK.

Before you are able to complete your registration on the App, we will take steps to verify that you are 18 years of age or older. We will also take steps to verify your identity by verifying (as a minimum) your address is the same as the registered address for the debit card you provide.

In order to undertake the age verification mentioned above, we typically use Third-Party Services provided by **Yoti Ltd** (although we reserve the right to change the Third-Party Provider of age verification services at any time). Any failure by you to provide the documentation required by the Third-Party Service Provider in order to verify your age will result in you failing the age and/or identity verification process.

If on completion of these age and/or identity verification processes, you are shown to be under the age of 18 or to have provided false or inaccurate information on registration, you will have materially breached the Terms and we will close your account.

In addition to the age and identity verification process, we may, at a later date, also undertake further verification steps to ensure that all information we hold in respect of you is up-to-date and accurate.

We may also perform background checks on you, from time to time, for purposes such as the detection and prevention of fraudulent activities or source of funds and the detection and analysis of activity suspected as related to anti-money laundering or terrorism financing. We are under no obligation to advise you that such due diligence, verification, investigation and/or on-going monitoring is taking place. Such activities may include the use of specific Third-Party Service Providers who perform Third-Party Services as required, and publicly available information. If such due diligence, verification, investigation or on-going monitoring raises issues of concern, we may close your account.

You may not transfer the App to someone else.

We are giving you personally the right to use the App and the Services as set out above. You may not otherwise transfer the App or the Services to someone else, whether for money, for anything else or for free. If you sell any device on which the App is installed, you must remove the App from it.

Changes to these Terms.

We may need to change these Terms to reflect changes in law or best practice or to deal with additional features which we introduce.

We will give you at least 10 days' notice of any change by sending you an email or SMS with details of the change or notifying you of a change when you next start the App.

If you do not accept the notified changes you will not be permitted to continue to use the App and the Services.

Update to the App and changes to the Services.

From time to time we may automatically update the App and change the Services to improve performance, enhance functionality, reflect changes to the operating system or address security issues. Alternatively, we may ask you to update the App for these reasons. If you choose not to install such updates or if you opt out of automatic updates you may not be able to continue using the App and the Services.

If someone else owns the phone or device you are using.

If you download or stream the App onto any phone or other device not owned by you, you must have the owner's permission to do so. You will be responsible for complying with these Terms, whether or not you own the phone or other device.

We may collect technical data about your device.

By using the App and any of the Services, you agree to us collecting and using technical information about the devices you use the App on and related software, hardware and peripherals to improve our products and to provide any Services to you.

We may collect location data (but you can turn location services off).

Certain Services may make use of location data sent from your devices. You can turn off this functionality at any time by turning off the location services settings for the App on the device. If you use these Services, you consent to us and our affiliates' and licensees' transmission, collection, retention, maintenance, processing and use of your location data to provide and improve location-based products and services.

You may stop us collecting such data at any time by turning off the location services settings.

We are not responsible for other websites you link to.

The App or any Services may contain links to other independent websites which are not provided by us. Such independent sites are not under our control, and we are not responsible for and have not checked and approved their content or their privacy policies (if any).

You will need to make your own independent judgement about whether to use any such independent sites, including whether to buy any products or services offered by them.

Licence restrictions.

You agree that you will:

- not rent, lease, sub-license, loan, provide, or otherwise make available, the App or the Services in any form, in whole or in part to any person without prior written consent from us

- not disassemble, de-compile, reverse engineer or create derivative works based on the whole or any part of the App or the Services nor attempt to do any such things, except to the extent that (by virtue of sections 50B and 296A of the Copyright, Designs and Patents Act 1988) such actions cannot be prohibited because they are necessary to decompile the App to obtain the information necessary to create an independent program that can be operated with the App or with another program ("**Permitted Objective**"), and provided that the information obtained by you during such activities:
 - is not disclosed or communicated without the Licensor's prior written consent to any third party to whom it is not necessary to disclose or communicate it in order to achieve the Permitted Objective;

- your conduct on the App is malicious or inconsistent with acceptable usage of the App (including the frequent and regular withdrawal of the minimum withdrawal amount),

any such act will be considered as a material breach of the Terms by you. In such case we may close your account and we are under no obligation to refund to you any deposits, winnings or funds in your account. In addition to the above, we may prevent you from accessing the App or the Services offered by us. We shall be entitled to inform relevant authorities, other online service providers and banks, credit card companies, electronic payment providers or other financial institutions of your identity and of any suspected unlawful or fraudulent activity and you will cooperate fully with us to investigate any such activity.

The following is a non-exhaustive list of examples of "fraudulent or unlawful activity":

- Depositing an excessive amount of funds into an account but not playing or having the intent of not playing with such funds.
- Failed or uncompleted verification in the event that you fail to provide us with all verification documents requested or provide us with accurate and valid documents to verify your registration details via Third-Party Services set out above.

In addition to the above you must:

- not infringe our intellectual property rights or those of any third party in relation to your use of the App or any Services, including by the submission of any material (to the extent that such use is not licensed by these Terms);
- not transmit any material that is defamatory, offensive or otherwise objectionable in relation to your use of the App or any of the Services;
- not use the App or any of the Services in a way that could damage, disable, overburden, impair or compromise our systems or security or interfere with other users; and
- not collect or harvest any information or data from any of the Services or our systems or attempt to decipher any transmissions to or from the servers running any of the Services.

Deposits

To purchase Credit you will need to top up your wallet with funds in accordance with the provisions below.

All payments for Credit must be made by debit card or by using an online payment service (and any other methods that GPT may provide from time to time). All payments may be subject to your bank and/or payment provider's authorisation and we accept no liability where this is not provided.

When using a debit card or online payment service, you must make sure that the name on the card or payment service is the same as the name used for your account. We are entitled to assume that you are using your own funds and we accept no liability where that is not the case. We reserve the right to withhold any winnings placed with third party funds.

The maximum number of payment methods that may be registered on your account at any given time is one active debit card. To change your payment method, please use the facility provided within the App.

The minimum amount of Credit purchased in a single purchase is £10 (ten pounds sterling) as may be amended from time to time. We reserve the right, acting reasonably, to change the minimum deposit without prior notice. We will publish any change to the minimum deposit amount on the App.

We do not charge you for purchasing Credit. However, certain banks or payment service providers may impose charges or overdraft fees. Please ask your bank or payment provider for more details. We reserve the right to charge a fee for the withdrawal of winnings.

Your Credit will be available in your account as soon as your bank or other payment provider authorises the amount you choose to purchase. Credit will usually show as *GAME PAYMENT TECHNOLOGY LONDON* on your statement.

You should only purchase Credit for the purposes of using our Services. We shall be entitled to suspend or close your account if we reasonably believe that you are purchasing Credit without any intention to use such Credit on our Services. In such circumstances we may also report you to the relevant authorities.

Winnings

Subject to these Terms, any winnings withdrawn from a Gaming machine using the App will, as soon as practicable, be credited to your App wallet and will appear as Credit on your account. Once credited to your App wallet the Credit can either be used on Gaming or Non-Gaming machines or transferred to the debit card in accordance with the provisions below.

If we credit your account with Credit in error, such Credit is not available for use and we will void any transactions involving such Credit. We reserve the right to, at any time, withdraw the relevant Credit from your account and/or reverse the transaction.

Withdrawals

Subject to these Terms, you may withdraw Credit from the App wallet on your account at any time. Credit will remain in your App wallet unless and until you submit a request to withdraw a **minimum** of £10 (this minimum may be varied by GPT from time to time) and a **maximum** of the outstanding Credit balance in your App wallet. Withdrawals will be transferred to the debit card or online payment service with which you originally acquired the Credit.

To withdraw funds from your account, visit the "withdraw" option within the App.

We reserve the right to suspend the withdrawal of any Credit (including Credit representing your winnings) to your debit card or online payment service on the occurrence of an event outside our control (see the section Events Outside our Control below). We will transfer your Credit (including Credit representing your winnings) as soon as reasonably practicable after the relevant event outside our control has ceased.

You are responsible for reporting your winnings and losses if such reporting is required by applicable law or the relevant tax authorities. It is your responsibility to pay any tax or levy due on any winnings paid to you by us.

As part of our regulatory requirements and in order to combat money laundering, card theft and fraud, you can only withdraw funds using the payment method with which Credit was originally purchased. When you are ready to withdraw funds you will see an amount of Credit in your App wallet, which will reflect the transactions carried out .

Once you have submitted a withdrawal request, you will receive a confirmation message that the transfer has been actioned and the balance of your account will then clear to zero or the balance of the amount not withdrawn. If you reduce the balance of your account to zero, you will need to acquire a minimum of £10 of Credit (or such other amounts as may be applicable at that time) in order to continue using the Services.

If funds are withdrawn, they will leave us at the close of business on the working day on which such withdrawal was requested and will be credited to the debit card or online payment service that you have registered in accordance with these Terms. These funds will be subject to a clearance period determined by the card issuing bank (normally 2 – 5 working days).

At our reasonable discretion, requests for withdrawals may be held for approval before being processed.

We reserve the right to impose or change the minimum and maximum withdrawal levels.

We do not currently charge a service fee for withdrawals to online payment services, however we reserve the right to charge a service fee for withdrawals. We do not allow any transfer of funds between our customers' accounts.

You have the right to close your account at any time. In order to do so you will need to first transfer all of the Credit in your App wallet In accordance with these Terms and, subsequently, you should make a request to close your account using the "*Close Account*" section within the App.

You remain responsible for activities using your account until it is closed. Upon our confirmation of the closure of your account, we will notify you and provided that you have complied with these Terms. Prior to the transfer of the Credit in your App wallet, we may at any time set off any Credit on your account against any amount owed by you to us (including under a duplicate account).

We reserve the right, at our reasonable discretion, to close or suspend your account and/or void any plays and/or withhold your account balance and/or recover from your account the amount of any affected winnings or bonuses and/or implement a permanent ban from our Services for the following reasons:

We do not provide any warranties, representations, conditions or guarantees with respect to such services.

Payments for Credit using a debit card may include a right for you to claim funds back from your bank through their chargeback scheme (a "**Chargeback**"). challenge the same. We may also charge you a Chargeback fee of £35 if you exercise a Chargeback in breach of these Terms.

Without limiting our rights or remedies, if you do exercise a Chargeback or otherwise cancel, reverse or de-authorise a payment in circumstances not permitted by these Terms, you are responsible for refunding the payment to us. We may, at our discretion, recover the amount by reducing the balance in your App wallet or charging your debit card in respect of such amount (or otherwise collecting such amount from you).

Unauthorised use of your debit card shall NOT include use arising from:

- your failure to keep your account ID information safe;
- your failure to notify us without undue delay of any loss of your password or other event that could reasonably be expected to have compromised the security of your account;
- if the transaction was unauthorised but you have acted fraudulently or compromised the security of your account with intent or gross negligence; and
- if you fail to dispute and bring the unauthorised or incorrectly executed transaction to our attention within 13 months from the date of the transaction.

Dormant accounts

If an account remains dormant (i.e. there is no activity on your account) for more than 5 months, you shall receive an alert confirming that if the account remains dormant for a further month, the account shall be closed and any outstanding Credit returned to the debit card with which you originally acquired the Credit in accordance with these Terms. If we are unable, for any reason, to return any outstanding Credit to your debit card, we shall use reasonable endeavours to contact you in order to advise you of such outstanding Credit and we shall charge you a reasonable administration fee for doing so. If, following a period of 6 months from our closure of your account, we are still unable to return any outstanding Credit to you, we shall be permitted to deal with such outstanding Credit as we shall choose in our sole discretion.
